### Mixed Sources

Product group from well-managed  
forests and other controlled sources  
[www.fsc.org](http://www.fsc.org) Cert no. SGS-COC-003898  
© 1996 Forest Stewardship Council

Consistent with DEXUS's commitment to sustainability, this report is printed on an FSC Mixed Sources Certified paper, which ensures that all virgin pulp is derived from well-managed forests and controlled sources. It contains elemental chlorine free (ECF) bleached pulp and is manufactured by an ISO 14001 certified mill. The mill operates a three step, waste water and recycling treatment system. These steps involve chemical treatment; micro-organism treatment; and penton treatment. The mill utilises steam for energy sourced from its own cogeneration plant and has recently concluded a Voluntary Agreement for energy conservation. The printer of this report has Forest Stewardship Council (FSC), Chain of Custody Certification.
